

A musical journey for the restless soul...

An invitation to connect spirituality and everyday life via a musical experience.

Cosmic Wave

The music on John's album, Cosmic Wave, is a conglomeration of several styles from jazz, Latin, rock, country and bluegrass. An original blending of sounds, skilled playing and singable melodies makes you want to hear these songs again and again. We invite you to listen for yourself and to experience this new music in your own unique way.

JOHN CALZAVARA

Musician – Producer – Composer - Seeker

Producer and composer of all ten tunes on the album, John also played many of the instruments. Enlisting the talents of some of Nashville's finest musicians and engineers, and an old friend in Los Angeles, gives the music a unique sound like no other!
