

## A Cosmic Wave Performance Journey Paths

Our mission is to bring an appreciation for the connection of one's spirituality and everyday life via a musical experience. In addition to creating music, Groove Spirit also provides opportunities through various "journey paths" for organizations looking to help their members connect with their spirituality. Our journey paths are created to easily fit into a variety of environments for various occasions. We are always open to creating a customized experience for your group based on your needs.

## Path Options

### Musical Performance Path

One (1) or two (2) hour traditional music concert.

### Musical Experience Path
